Yu Cheng Hong's CGPortfolio

Yu Cheng Hong is an illustrator, concept artist and motion designer based in Taipei. He is working at 7 Studios, where he gathers inspiration from the many brilliant artists around him, the web and books like EXOTIQUE and EXPOSE.

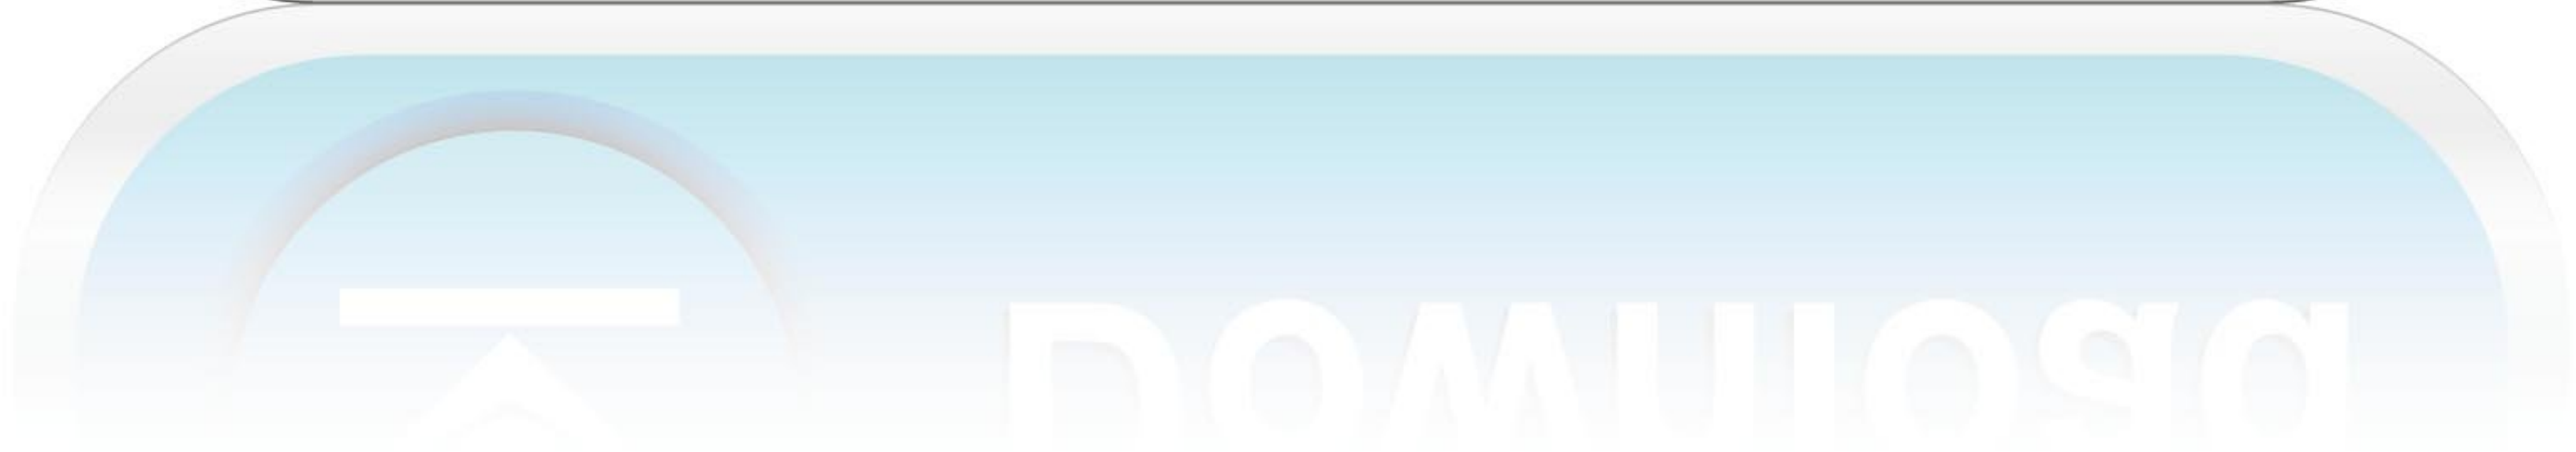

"My artistic style is somewhere between realistic and anime. It combines fantasy, Science Fiction and some old Chinese natural elements blended together."

"It is a great honor be represented in EXOTIQUE book again with other talented artists."

EXOTIQUE gives me new opportunities to present art and pushes me to enhance skills and do my best to continue painting more art. Thank you Ballistic!!
